PRINCIPAL'S MESSAGE

Safe, Teamwork, Achieving, Respect

Every child's journey at Penrith South Public School is one of purpose, high expectations, dignity and options.

Selective High School Tests

This year the Selective High School Placement Test will be held on Thursday 14 March 2019 from 9.00am to 1.30pm at Penrith High School, High St PENRITH NSW 2750.

Go to <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7> to find The bulletin, Test information for parents and students. The bulletin contains very important information about the test and should be read carefully. Best of luck to our high performing students who will be applying.

Thank you to the Herink Family

Our school had a very generous donation from the Herink family recently. The donation paid for a chiller and a water filter which fits in the Staff Room kitchen sink. The staff are overjoyed that a family would value the school so much that they would do such a warm and generous gesture. Thank you so much.

Smoking near children

Please be considerate of smoking in areas where children need to be, such as the school road crossing. We have a number of students with breathing conditions who need to walk in the vicinity.

Parking

It has been brought to my attention this week that some parents and carers are parking across driveways whilst waiting for students before and after school. Parking in this fashion is illegal and dangerous and very inconvenient for residents who may need to use the driveway at that time. As a result additional patrols from the parking ranger will be occurring.

Stranger Danger Alert

Last week I was informed of an incident involving some of our students at the local shops after school. The students were approached by a stranger who began talking to the children. Luckily police were alerted and attended the scene and the matter is being looked into. It is a timely reminder to please speak to your children about moving away from strangers who may try to trick them into talking with them and to tell a trusted adult as soon as they can.

Online Safety

It seems there are a number of unpleasant and upsetting things being sent to children recently via electronic devices. These are sometimes dropped into videos and YouTube clips your children may be watching. Please remember to talk to your child often about telling you or their teacher if they see or hear anything online that is upsetting or unusual.

Principal

KEEPING YOUR CHILDREN SAFE WHEN DROPPING OFF AND PICKING UP AT SCHOOL

Here are a few things you can do to help keep your children and others safer during drop-off and pick-up times during the school week:

Make sure your children are fastened in the correct child car seat for their age and size and that it is fitted correctly.

Stick to the 40km/h speed limit in a school zone and look out for children who may be about.

Watch for flashing lights on buses. They let you know that there may be children crossing or about to cross the road. A 40km/h limit applies when school bus lights flash.

Always give way to pedestrians particularly when entering and leaving driveways.

Always park and turn legally around schools. Manoeuvres such as U-turns and three-point turns are dangerous during busy school drop-off and pick-up times.

Drop your children off and pick them up on the school side of the road in your school's designated drop-off and pick-up area. Never call out to them from across the road – they may run to you without checking for traffic.

It's safest for children to get out of the car through the Safety Door, away from passing traffic. This is the rear footpath side door of the car.

For more information on keeping our kids safe around schools visit the parents section on safetytown.com.au

CANTEEN NEWS

The Canteen Menu distributed in Term 4 last year and to Kindergarten in Week 2 is the current menu. Spare copies of the Menu are available in the Front Office and one is in this newsletter. Parents and carers are reminded to lodge online lunch orders by 9am so that food can be prepared in time. This cut off time also applies to lunch orders handed directly to the Canteen.

We apologise for the recent problems with the online ordering and have been assured by Flexischools that this will improve.

Thank you Healthy Canteens

- Circle of Security is an internationally recognised evidence based program which draws on 50 years of research into attachment. It is run as a six week group for parents and carers.

The group is designed to enhance the bond and sense of security for both parent and child in their relationship by:

- Giving parents a way to better understand their children: 'Why does my child behave that way?' 'What does s/he need?' and 'How can I best help him/her grow?'
- Inviting parents to reflect on their own experiences of being parented and how it impacts on their parenting.
- Providing an environment where parents can focus on their strengths and struggles and benefit from the experience of sharing with other parents.
