PRINCIPAL'S MESSAGE

Safe, Teamwork, Achieving, Respect

Every child's journey at Penrith South Public School is one of purpose, high expectations, dignity and options.

Public Speaking Competitions

Last week a number of our students showcased their public speaking skills at our K-2 and 3-6 Public Speaking Competitions. I had the privilege of judging our 3-6 competition alongside Mrs Beeby and Mrs Parsons and seeing the wealth of talent our students are developing in public speaking. Each year, the role of judging our public speaking is increasingly more difficult as the children become increasingly more skilled. The clarity and varied volume and tone in their voice along with the use of body language and ability to engage their audience captivated everyone present. While I was unfortunately away from school for the K-2 competition, I am told the standard was equally high and the students performed admirably.

Congratulations to all the students from K-6 who participated in the Public Speaking Competitions. You did yourself, your families and your school proud. I know the students selected to compete at the next level of competition will do a wonderful job. I am already looking forward to our Public Speaking Competitions in 2020!

School Holidays

Another successful term is almost over as we head into the school holidays. While reflecting on Term 3 I was reminded once again, of the wonderfully rich well-rounded education that we offer at Penrith South. This term our students have been involved in Debating Competitions, Athletics Carnivals, Education Week open day, Book Fair, Spelling Bee, Incursions, Excursions, Dental Clinics, Father's Day stall, Stage 3 camp, Special Eisteddfod, the Great Book Swap, Public Speaking, Swim Scheme and our 'Night With the Stars' this Thursday evening. We should all be very proud of the education that we offer our children, promoting academic achievement and personal growth. I hope all our families enjoy the school holiday period and experience some new adventures out in the warmer weather and sunshine that Spring time offers.

KINDERGARTEN ENROLMENTS FOR 2020

Enrolments for Kindergarten 2020 are now being accepted at Penrith South Public School.

If you or someone you know has a child turning 5 before July 31, 2020 they are eligible to enrol to start school next year. Please visit our school office between 8.30am and 3.15pm Monday to Friday to collect the enrolment forms. Completed application forms should be returned to the Front Office together with the child's original Birth Certificate, current Immunisation Certificate and proof of address (eg Utility Bill, Rental Agreement or Council Rates).

The NSW Department of Education Policy states that a child of compulsory school age (6 years old) must be enrolled at and attending a government or non-government school by the time they turn six.

I look forward to getting to know our new kindergarten students and their families before they start school next year. The Transition to School Group commenced on Friday 26 July.

If you have any questions regarding your child's readiness to start school please feel free to make an appointment with me to discuss this.

This free transition program is facilitated by a qualified Educator and aims to build friendships and confidence in a fun and relaxed educational environment. Parents and carers stay with their child and children and are asked to bring a healthy snack, water and a hat.

Please call Kim Martin on 0423 720 492 to enrol.

POSITIVE BEHAVIOUR FOR LEARNING (PBL)

- *Listen to each other's point of view*
- *Be kind to each other*

Teachers will be looking out for students who are being respectful to their friends inside the classroom and on the playground. They will be focusing on students who are using kind words when solving problems and taking each other's points of view into consideration.

STUDENT ABSENCES

Parents/caregivers must provide an explanation for absences to the school within 7 days from the first day of any period of absence. Where an explanation has not been received within the 7-day timeframe, the school will record the absence as unjustified on the student's record. The absence note or letter should be given directly to the class teacher for processing. Absence notes are enclosed at the end of this newsletter.

VISIBLE LEARNING AT PENRITH SOUTH PUBLIC SCHOOL

This year the staff have been engaged in ongoing professional development that focuses on the research conducted by John Hattie and the principles of Visible Learning and Visible teaching.

As part of this project the staff are working on developing a common language across the school community to describe the characteristics or dispositions that students need to use when learning something new, for example students need to be brave, curious, resilient, reflective etc.

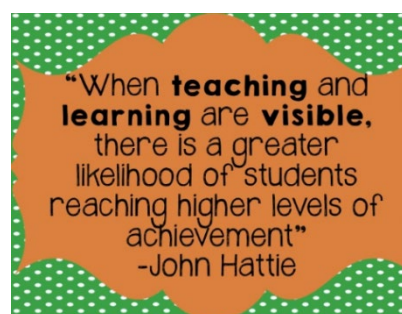

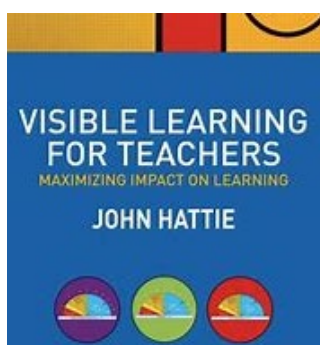

Thank you to all the parents who filled out and returned the survey on learning dispositions. Your input was greatly appreciated.

Our students opinions were also sought on the learning dispositions they felt they need in order to be successful learners.

All this information was collated and last Wednesday evening staff participated in a twilight professional learning session where the learning dispositions were hotly debated and narrowed down to the five we think best suit our students. Staff are now in the process of writing definitions for each one, what they mean for our students and how they can use them to help them with their learning.

Stay tuned next term for the unveiling of our five school Learning Dispositions.

TELL THEM FROM ME TERM 3 SNAPSHOT

I am delighted that this term, our school, like many other public schools in the state, will participate in a Department of Education initiative: the *Tell Them From Me* student feedback survey. The survey measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

You may remember that our students also participated in a *Tell Them From Me* student survey in Term 1 this year. Asking students to complete the survey twice in one year allows us to identify trends in student responses as well as track engagement and motivation across the school year.

The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. More than 6,300 schools in Australia and around the world have used *Tell Them From Me* to survey 5.4 million students. Capturing the voices of our students will help improve how we do things at our school. More information about the survey is available at: <http://surveys.cese.nsw.gov.au>

I want to assure you that the survey is confidential. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours in the first two weeks of Term 4. Participating in the survey is entirely voluntary.

A consent form for parents/carers about the survey is being sent home with students. If you **do not** want your child or children to participate, please return the form to school by **this Friday 27 September, 2019**. Copies of the form and FAQs are available from: <http://surveys.cese.nsw.gov.au/information-for-parents>.

We are also offering parents the opportunity to complete the Tell Them From Me Survey once again. The survey is short, completely anonymous and typically only takes 5-10 minutes to complete. You can find the parent survey at the following link:

<http://nsw.tellthemfromme.com/psps2019>

We hope to get as many responses from parents as we can and break the record set in Term 1 this year.

SCHOOL HOLIDAY ROAD SAFETY REMINDER FOR FAMILIES

With the school holidays approaching, daily routines will soon change. Different play locations and holiday destinations means different traffic environments.

So to help keep our children safe, families are reminded about these key road safety points:

- **Stop, look, listen, think every time you cross the road.**
If your child is aged 8 years or younger hold their hand when walking near or across roads. If your child is 9-10 years old always actively supervise them.
- **It's the law that everyone wears a helmet when riding a bike in a public place.**
It makes sense to wear a helmet when riding scooters and skateboards too!
- **Click clack front 'n back every person for every trip.**
Everyone in the car must be securely buckled up in the right seatbelt or child restraint.
- **Talk to your child about being a safe road user.**
Reinforce safe road behaviours by being a good role model! Children learn safe road behaviours from the adults who care for them. Talk about what you are doing to be safe when near roads, in the car and when riding.
- **Point out road safety differences and dangers in new environments.**
This is especially important when on holidays in different surroundings. Roads, footpaths, parks, carparks, bike tracks and bike lanes may look different in holiday areas.

The best way to keep your child safe is to actively supervise them.

LOST PROPERTY

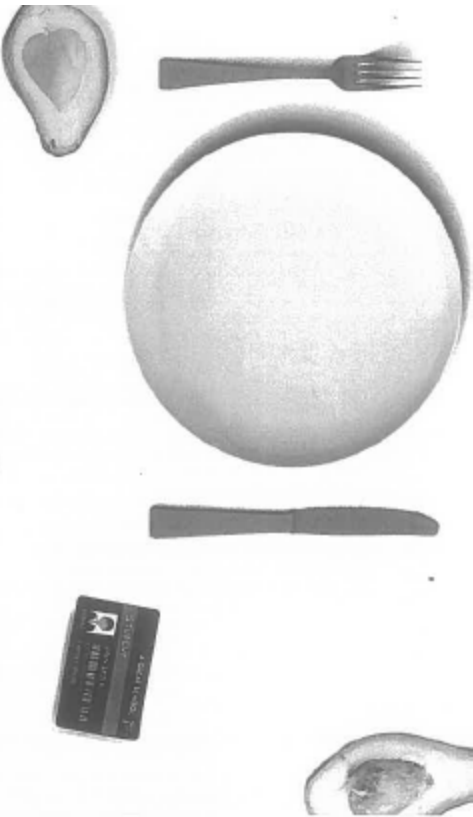

Lost property can be found in a white laundry basket in the foyer of Room 24 (OshClub Room). Parents and carers are reminded to label everything so that items, when found, can be returned to the students. Lost valuables are held in the Front Office.

The Circle of Security is a relationship based early intervention program designed to enhance attachment security between parents and children. Research has confirmed that secure children show increased empathy, greater self-esteem, better relationships with parents and peers, enhanced school readiness, and an increased capacity to handle emotions more effectively when compared with children who are not secure.

This program will help parents raise their children with love, warmth, and emotional intelligence by showing parents how they can connect with their child or children in ways that break old and sometimes destructive patterns of parenting.

This program is a must for all parents!
